EDITOR'S CHAIR.

HOW THINGS LOOK FROM OUR STAND POINT.

The Opinion of The Editor and the
Opinion of Others which we
Can Endorse on the Various
Topics of the Day.

Equal rights to all, special privi-
lege to none, politicians not excepted.

What do you rise to say about the
great prosperity of the farmers and
merchants?

You need have no fear so long as
the people rule. But you need fear
when the people are ruled.

While our politicians are getting
up their booms, we wish they would
get up a boom to relieve the
people.

Between a modus vivendi and
presidential candidates at Washing-
ton, the people have had but like
thought, as to what they need.

Personal abuse is not argument,
and when a man abuses in a discus-
sion, he has a weak side to defend
or either too weak to defend it.

If Congress can't pass some good
laws for the benefit and the relief
of the people, why not try to repeal
some of the bad ones it has passed?

The people asked for free coinage
of silver. Wall Street answered no.
The free coinage bill is dead. Is
Congress in session for the people or
for Wall Street?

The State Press has even changed
its tune. It now sees the Reformers
are in it, and unless all signs are
for naught, they are likely to stay
in it.

The St. Louis platform honestly,
fearlessly and justly demand:
Money Of the people.
Transportation For the people.
Land For the people.

The war is upon you. You are
soon to have the test applied. Let
every man be bold and true to his
cause. Not only that, but let him
be willing to sacrifice time for the
cause of reform.

The poorest excuse for a politician,
to-day, is the funny and witty man.
Puns and witticisms may do to
amuse, but it so happens this year
that the people are asking more than
amusements. They want relief,
speedy and substantial.

THEY ARE FINDING OUT.

The far and don't know how poor
he is. If he once finds out, let the
politicians and their masters, the
money changers, beware! But
while he is finding out, his children
will grow up in ignorance, and his
wife die of over work.—Hamlin
Garland, in "A Spoil of Office."

DOES IT SHOW A SETTLED POLICY?

Should it come about by some un-
foreseen event that the Alliance or-
ganization should be swept into ob-
livion and every vestige of its form
and organization vanished, "Would
there be left 'foot-prints' in the sands
of time?"

It was only three years ago that
a platform of principle was passed
by a St. Louis Convention, almost
unanimous endorsement being given
to it. The delegates assembled
again the following year at Omaha
and direct from the people unani-
mously endorsed those same prin-
ciples. Another year was passed,
though it was a year of the bitterest
opposition and vilest abuse by the
plutocrats, opposing our measures
and fighting our leaders, yet at In-
dianapolis not a dissenting vote was
recorded against our platform and
each sub Alliance throughout the
length and breadth of the land en-
thusiastically again hailed them
and enthusiastically endorsed them.
Does that show an unsettled policy?

"During these three years," the
Alliance has been a terror to plit-
icians; it has unceasingly and un-
scrupulously money lenders and
driven sleep from the eyes of wick-
ed plutocracy. It has caught and
now holds firmly the reins of half a
dozen state governments. It has
named three United States senators
and thirty-eight representatives in
the lower house."

Then think of it, and think of the
pure effort to tell you that the
"Alliance is dead." "It can only
last but a short time at least." But
when we see the people so thorough-
ly awaked to their true condition
and their needs, we can hardly lim-
it our expectation for its accomplish-
ments in the future.

Some Bills Introduced—Person-

Indirectly there was a test of the
silver men in the Senate last
week. The question came up on
Mr. Kyle's motion to strike out of
the Arizona funding bill the clause
requiring the payment of interest
in gold or its equivalent in lawful
money of the United States and to
insert "lawful money of the United
States." The motion prevailed, 28
to 24. Mr. Hill voted for it.

Mr. Manderson has introduced a
bill in the Senate appropriating \$50,-
000 for the erection of a statue in
Lafayette Square, Washington
City, to John Paul Jones.

No action has been taken in regard
to filling the vacancy caused by the
dismissal of Mr. Young, principal
executive clerk of the Senate.

Mr. Rayner, of Maryland, has
been in charge of Mr. Springer's
bill providing for an international
monetary conference, which had
been referred to the committee on
foreign affairs.

ecutive session ratified the conven-

ARE DRUNKARDS CURABLE.

T. D. Crothers, M. D., in a paper
read before the English Society for
the Study of Inebriety, contends
that inebriety is curable. The more
recent the case the more curable;
the more complete and thorough the
treatment, the greater the certainty
of cure. He summarizes the sci-
entific methods of curing drunkards
as follows:

First legislate for their legal con-
trol; then organize industrial hospi-
tals in the vicinity of all the large
towns and cities. Tax the spirit
traffic to build and maintain such
places, just as all corporations are
responsible for all the accidents
and evils which grow out of
them. Arrest and commit drunk-
ards to such hospitals for an in-
definite time, depending on the res-
toration of the patients; also commit
all persons who use spirits to excess
and impair their own and the lives
of others. Put them under excel-
lent medical and hygienic care, where
all the conditions and circumstances
of life and living can be regulated
and controlled. Make the self-sup-
porting as far as it is possible, and
let this treatment be continued for
years if necessary. The recent cases
will become cured, and the incur-
able will be protected from themselves
and others and made useful and self-
supporting.

The curability of the inebriate is
far more certain than that of the in-
sane. The liberty of both is equally
dangerous; one is recognized, the
other is seldom restrained until he
becomes a criminal. The moment a
man becomes a drunkard he forfeits
all rights to liberty and becomes a
slave of the State, and should be con-
trolled by it. It is a disgrace to in-
ebriety that it is so common, and
that it permits anyone to destroy his
life and property by drink on the
same basis that he has a free in-
sane man. The inebriate is mentally
and physically sick, and needs the
same help of the insane, and the
question of cure is simply one of
adequate means and remedies to reach
the disease.

The new pioneers working along
these frontier lines of research, look-
ing beyond the dust and conflict of
temperance agitation, are fully con-
fident that not far in the future the
inebriate will be recognized and
cured; and the mysteries of the great
drunk problem will disappear before
the march of scientific truth.—Med-
ical Age

NOT MUCH OF A SACRIFICE
FOR THE POLITICIANS.

I have been thinking there was
little probability of a "third party"
in North Carolina. Our people are
tired of partyism, anyhow. What
they want is relief, and they are
ready to adopt any means, lawful
or unlawful, for its accomplish-
ment. I have not been anticipat-
ing great opposition in the conven-
tion to the reasonable demands of
those who are seeking financial re-
form. Up to this time little has
been said in the future, and I am
inclined to believe that the "third
party" will be a very small one.

It would, therefore, be no sacrifice
for the average voter in the towns
and villages who has paid little or
no attention to the subject to give
to those who have. In fact such
average voter and his leader, the
average politician, have with great
unanimity adopted, without dissent
or question, the most radical
financial plan in numerous pub-
lications—W. J. P. in Prog. Farmer.

REMARKS TO THE ALLIANCE.
It is just the thing for a man to draw
himself from a city whose citizenship
he considers a disgrace. Why not dis-
solve such alliance or else take the
means to land to remedy the disgrace
and save the city?

Is not such a man a leech that simply
draws the life blood from the body pol-
itic and gives nothing in return?

Will not enough barmaids sink the
greater ship that floats?

CRANKS AND PHARISEES WHO CRY
OUT AGAINST REFORM.

Rev. Thomas Dixon, Jr., Pays His
Comments to Certain Ministers Who Con-
demn Dr. Parkhurst—An Alien Who Is
Too Good to Become a Citizen.

New York, April 24.—In his review
of current events before the sermon
this morning, Mr. Dixon commented
upon the action of certain ministers
who have recently reflected severely on
the work of Dr. Parkhurst, also paying
his respects to the distinguished alien
who draws his salary from an American
church and at the same time scorns
American citizenship. He said:

Human nature is human nature, find
it where you will, in the dust of the
political arena or rigged out in cloth
and white, perfumed with traditions and
conventional pretenses.

It looks like preachers ought to be
better than ordinary men when it comes
to petty jealousies, envyings and world-
ly ambitions. But they are not always.
Let a great man do a great thing for
the cause of truth and righteousness to-
day, and immediately you will hear the
cackle of geese who disagree with every-
thing. Immediately you will hear the
cackle of the chronic sniveler and you
will observe the upturned nose of the
modern Pharisee.

GABRIEL BERNARDSON.
Nothing ever suits these men. The
angels of heaven couldn't devise a plan
for the salvation of the world but that
they would attack and denounce it in
twenty-four hours after its announce-
ment. When the angel Gabriel blows
his trumpet these sacred dudes will ad-
just their eyeglasses and cry with horror,
"How sensational!"

The Reason Why

ALLIANCE NOTES, DISCUSSIONS AND THE DOINGS OF THE VARIOUS LODGES.

[The CAUCASIAN was adopted as the Official Organ of the Simpson County Alliance at the meeting in January 1910, 1892.]

The "Union Alliance" of Henocent's Township met April 9th, 1892, with Salem Lodge.

R. M. Crumpler, Pres., in the chair. Seven of the eight Lodges composing said union were represented, viz.: White Oak, Salem, Oak Ridge, Ryes Bridge, Eureka, Holliday, Andrew Chapel.

The platform of the St. Louis conference was read, and by a rising vote endorsed, (be it understood, not the mass meeting held calling for a third party, the platform or "four new declaration of independence.")

The public was invited, and many were present to listen to the discussions of queries pertaining to the need and good of our country, which were delivered with care and true conservatism, so we may seeders think. Two outsiders, Rev. Mr. Parker and G. W. Butler, Principal of Salem High School, gave us good talks. A spirit of enthusiasm pervaded the meeting, and we are glad to note that the sympathies of many outsiders are with us. This is as it should be, for whatever is good for the laboring classes is good for the whole country.

More anon. D. W. Tew, Sec. Progressive Farmer please copy.

Whereas, an All-wise Providence, has removed from our midst, brother John R. Beaman, a prominent member of Simpson County Farmers' Alliance, and our worthy Treasurer, to another sphere, and believing that we should give expression to our feelings in memory of the worth and merits of our departed brother.

1. Resolved, That in the death of brother John R. Beaman, this Alliance has lost one of its truest, firmest, and most valuable members, the county a faithful officer, and one of its best and most liberal and enterprising citizens, society one of its most generous and hospitable members, and his children a kind, faithful and indulgent protector and father.

2. Resolved, That we tender our heartfelt sympathies to his bereaved family and friends.

3. Resolved, That these resolutions be spread upon the minutes on a separate page for this purpose.

4. Resolved, That the Secretary furnish the bereaved family with a copy of these resolutions, also the Caucasian for publication.

Respectfully submitted,
ISHAM ROYAL,
R. A. INGRAM,
S. A. HOWARD,
Committee.

Resolutions of respect from Hickory Alliance, No. 2173:

Whereas, It has pleased Almighty God in His Wisdom to remove from our midst by death our esteemed friend and brother Thomas Cook.

Resolved, That our Lodge has lost a useful and active member, and while we yield to the will of God, we mourn our loss and lament that our fraternal meeting in this life has ceased.

Resolved, That we express our sympathy for the bereaved family, and pray God's blessings upon them.

Resolved, That a copy of these resolutions be given the family of our deceased brother, a copy spread upon the pages of our minutes, and a copy be sent to

the Clinton Caucasian for publication.

Respectfully,
F. F. NEWTON,
R. H. DEVAINE,
W. T. DEVAINE,
Committee.

April 9th, 1892.

At a regular meeting of South River Alliance No. 831, held April 16th, 1892, the following resolutions were unanimously adopted:

1. Resolved, That we the members of South River Alliance do hereby pledge ourselves to stand by the principles of the Alliance to the last ditch.

2. That we fully endorse the action of the St. Louis convention and pledge ourselves to support the platform adopted by that convention.

3. That hereafter we intend to vote for principles instead of parties, for measures instead of men, therefore we will vote for no man for office from constable to president that does not fully endorse the St. Louis platform and stand squarely on the Alliance demands.

Resolved, 1st, That all candidates who may be put in nomination to be elected to meet President Butler in Raleigh May 17th, 1892, be requested to state to this County Alliance how they stand on the St. Louis Platform before they are voted for by this County Alliance.

Resolved, 2nd, That we the County Alliance of Harnett Co. do hereby reassert our allegiance to every Alliance demand, and that we heartily endorse the St. Louis demands recently inaugurated in the city of St. Louis.

Resolved, 3rd, That a copy of these resolutions be sent under seal of this Alliance to the Progressive Farmer and Clinton Caucasian for publication.

DUPLIN COUNTY.

IN MEMORIAM.

Whereas, It has pleased Almighty God to remove from our midst, brother Jonathan Evans, while he was in humble submission to the will of an All-wise Providence, we mourn over the loss of his wise counsel and true genial friendship.

Resolved, That Cumberland County Alliance tender their heartfelt sympathy to his bereaved widow and family in their great loss of so true a husband, father and brother.

Resolved, That a copy of these resolutions be sent to his family, also one each to the Progressive Farmer, Fayetteville Observer and Clinton Caucasian for publication, and a copy be placed on our minutes out of respect for our beloved brother.

It really seems to be a sad truth that the Democratic party, which has heretofore been the party to keep flying at its mast head, "The greatest good to the greatest number," has departed (in part at least) from the "ancient land marks which their fathers have set" and by a defection of 32 votes defeated the free coinage bill, which has been one of the leading planks in the Democratic platform since 1873, when silver was killed by stealth and forgery, so said—what a sham! and what a shame.

I have always heard the saying "strike while the iron is hot," and now seems to be the time to strike hands with the great West, while she is at welding heat, and weld the two great producing sections together. Come now and let's stand as one man against faction the enrage of the East before it is finally too late, otherwise we will be but servants for all time to come, to raise produce and grow poorer and poorer, while the

money kings grow richer and richer on our labor.

Let the laboring man come from the plow, from the anvil, from the bench, from the dark recesses of the mine, and busy him of the factory, yes come with trowel, peck, ax and hoe, and these will be grandest band of brothers that ever walked shoulder to shoulder. Now is the time.

WARSAW, N. C., April 16th, 1892.—We had an enthusiastic county meeting on the 14th inst. of the Duplin County Farmers' Alliance. A large delegation was present, representing the "Bone and Sinew" of Duplin. The people are in earnest, and a unit for reform. The very instructive speech, of our noble State President on the 4th inst. at Kenansville, gave us much more light, strength and our faith, and tended to solidify us in the great movement for liberty. Much business of importance was transacted. I will give your readers only a few things. A committee of five were appointed to devise a system, whereby the sick and distressed of our order might be cared for without imposition by the underwriting.

The Education of the hope of reformers, were advocated by earnest speeches from the brotherhood and resulted in appropriating fifty dollars (\$50) from the treasury for this purpose. Twenty-five dollars to go to the Caucasian and twenty-five to the Progressive Farmer.

M. J. Oliver and Dr. Matt Moore were elected as delegates pursuant to the call of President Butler.

Next county meeting to be held in Kenansville.

LISBON.

DEAR BRETHREN: Did you see in the Star what it said about President Butler calling a conference of Alliance men the day before the Democratic convention? It makes my blood boil to read it. He thinks he is a prophet, can see through the whole thing but I see plainly he is one of Satan's prophets. He reminds me of an old setting hen. She will set on her old nest it makes no difference what kind of eggs she is setting on so he is setting on her old nest, just so with the Star he has been setting on Democrat eggs ever since the war and hatched nothing but Wall Street chickens, yet all the rest of the eggs are rotten. We want a new setting of eggs and hatch a set of good, true, honest reform chickens, and we are going to have them next November. We will be there and not you for get it.

UNCLE DEMAS

DISMAL.

Mr. Charlie Butler, one of our best young men, happened to the misfortune of mashing his thumb so badly that it had to be amputated at the first joint. This was a very painful operation, but Mr. Butler has grit in him, and he did of loose nerve while undergoing the trying ordeal.

Heavy frost have killed all the peaches, and we hear that the apples will not stand the cold weather much longer in this vicinity.

Mrs. L. A. Spell, accompanied by her two sons Mr. U. O. and Master John L., and Miss Mary A., have been visiting in the vicinity of Wade.

Your correspondent, accompanied by his mother, has been visiting up on Cape Fear river above Fayetteville.

Demorest Class No. 1 of Hall's Chapel will hold their next concert at Bethany Saturday night before the 2nd Sunday in May. Everybody invited.

The story of a fight, that came near being a tragedy, comes to us from Cumberland county. One night not long ago Mr. David Gaine was returning from Fayetteville when two persons who were hid by the road side pulled him from his road cart with the intention of whipping him. But Mr. Gaine was equal to the occasion, being an athletic young fellow, he knocked one of them down and pushed the other out of the road. At that instant, however, a third person appeared on the scene, and took the part of the assailants, and after a hard fight, the three got the best of Mr. Gaine, though many believe that he would have whipped two of them, if the third had not arrived. They left Mr. Gaine after beating him severely, and bruising up his face badly. The bushwhackers had better leave for parts unknown.

Leap year parties are having some success in this vicinity. Miss Alice Dale wrote a letter to Mr. J. W. Leckamy saying that "she loved him better than any one she had ever seen, and that she was ready to marry if he was." He replied in the

affirmative and so they were solemnly united in the holy bonds of matrimony by A. Baggett, Esq. This was a case of "love at first sight," as they had never been acquainted with each other before. The bride is 16, the groom about 18. Great joy and success be ever with them.

It is with sadness that we chronicle the death of Mr. James Spell, father of Sheriff J. M. Spell. He died April 17th of pneumonia.

Mr. E. W. Faircloth has been the fortunate one in a rebus contest. He received as a prize a house lot in Lervy, Fla.

Mess. Elias W. Faircloth and Ulysses T. Sessions have just returned from a dying trip to Fayetteville.

"GIL."

Address Clink, Clements, N. C. If you wish to know to make biscuits without lard.

We would say to Gil that to receive a letter without a stamp simply means enclose stamp next time if you expect a reply. We are informed Gil that you go about pen and ink in one hand and Caucasian in other, ready for a reply.

The girls are making good use of Leap year. We heard of two marriages last week, and three for this.

A prayer meeting was held near Attyrville Friday night. Hope to have large crowds to attend them.

Mr. E. W. Faircloth has been awarded a house and lot in Fla. for giving a correct answer to a rebus.

We have a very fine music teacher up here. Her music has charming effect even on the fish.

We know of several taking the Caucasian at Stedman. Why not some one from Heavin High School write us some items. We are anxious to hear from that section.

[Hope some of our friends will let us hear from them.—E.]

Died, on the 14th inst., Mrs. Hollis Hudson. Mrs. Hudson will be greatly missed by every one. We extend our sympathies to the bereaved family.

Rev. Lunda Lee will preach the funeral of Miss Etta M. Wilson at Shady Grove church April 24th, health permitting.

W. & W.

PINEY GROVE.

The Demorest Class at Goshen church under the proficiency of Mr. W. R. Sutton, spoke at Poplar Grove on Saturday night the 9th inst. The speaking was very good indeed. There was to have been a contest for the medal, but having failed to get it there was no contest.

A Sabbath school has been organized at Piney Grove church. Rev. J. M. Ashby filled his appointment at Goshen on Sunday the 17th inst.

Although the weather looked very unfavorable, there was quite a large congregation to hear him. He preached the funeral of Mr. T. J. Wiggins, who departed this life the 23d of January. His text may be found by reference to a part of the 6th verse of the 24th chapter of St. Luke: "He is not here, but is risen." He very beautifully illustrated and ably discussed his text with profound logic.

The 21 quarterly meeting on the Clinton Circuit will be held at Brownings Chapel on the 3rd Sunday in May and Saturday before. Mr. Swindell, P. E., will be there and will preach at Goshen in the evening.

The cold weather has been very disconcerting to truck farmers. Nearly all the beans in this section are killed.

We would say for the benefit

of "Cross Eyed Sam" that if he would have the young ladies call on him leap years, he must not take them off from home and leave them again. We hope the young lady who got left did not feel any worse over it than "Sam" did.

"PLUG."

A Little Girl's Experience in a Light house.

Mr. and Mrs. Loren Tescott are keepers of the Gov. Lighthouse at Sand Beach, Michigan, and are blessed with a daughter, four years old. Last April she was taken down with Measles, followed with a dreadful Cough and turning into a Fever. Doctors at home and at Detroit treated her, but in vain, she grew worse rapidly, until she was a mere "bundle of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you may get a trial bottle free at the Drugstore of Dr. R. H. Holliday, Clinton; and JOHN R. SMITH, Druggist, Mount Olive, N. C.
